STEP 1: Cut out a 17x17cm piece of denim.

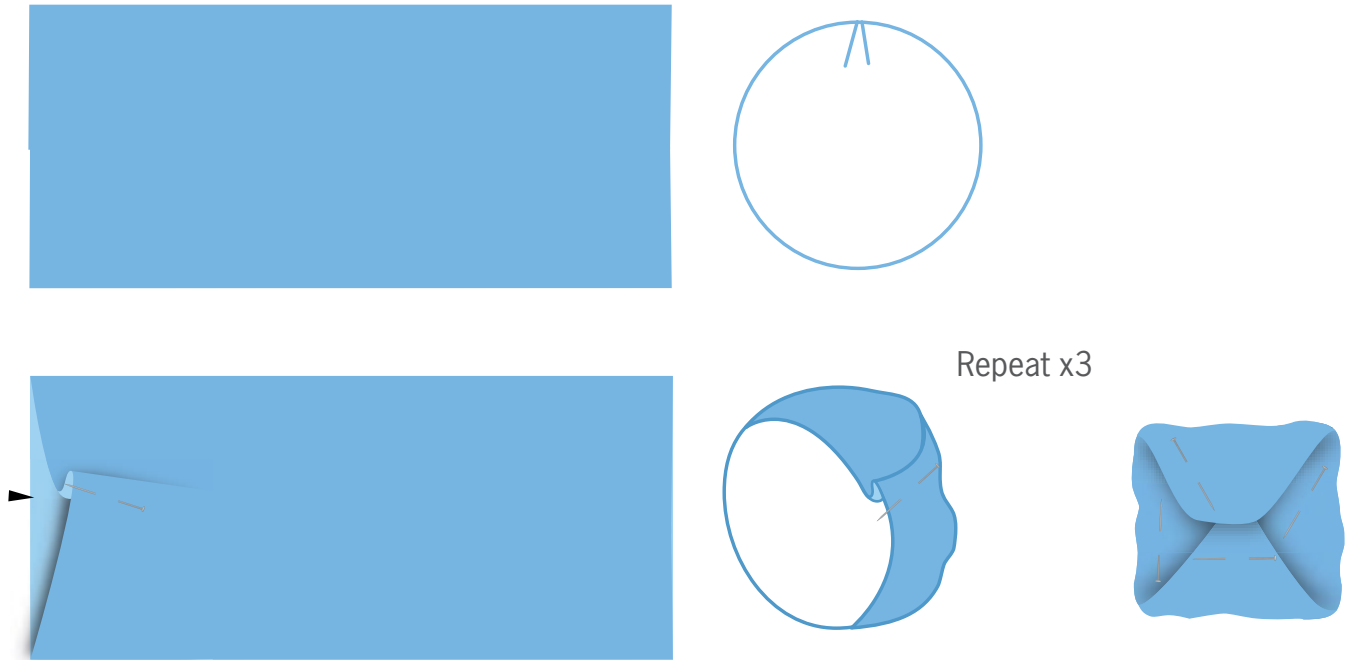

STEP 2: Fold the piece in the middle and fix it with pins. Sew the parts together with a sewing machine as shown in the illustration.

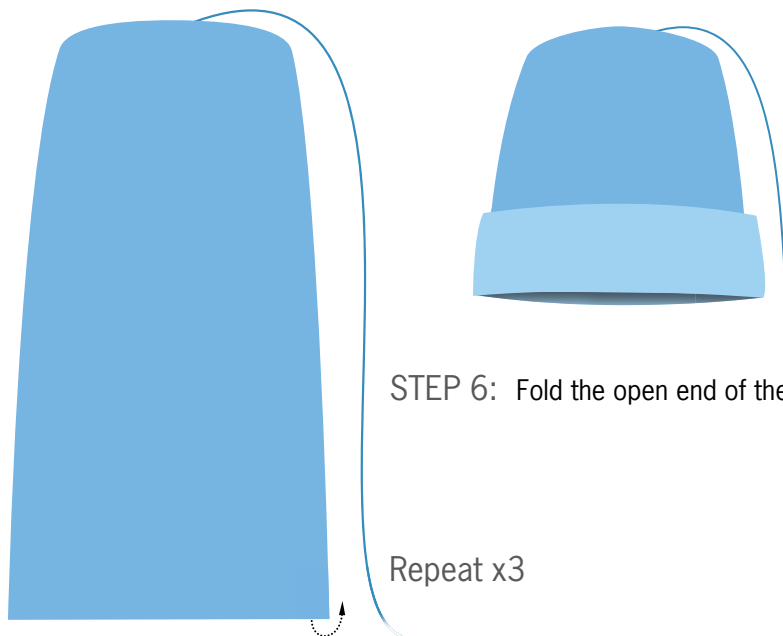

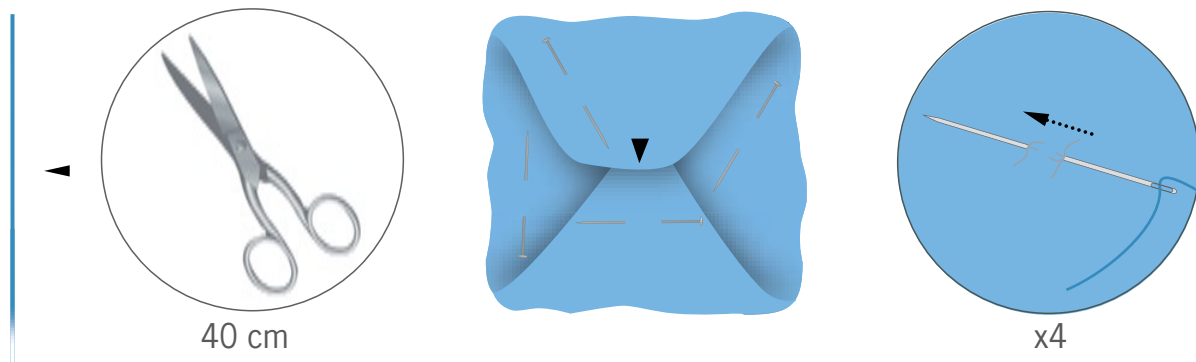

STEP 3: Turn the denim over, so that the seam is inside.

STEP 4: Close the top of the "tube" by folding 4 pleats and fixing them with pins. For the last pleat, bend the edge of the fabric so that it looks like the last picture in the illustration.

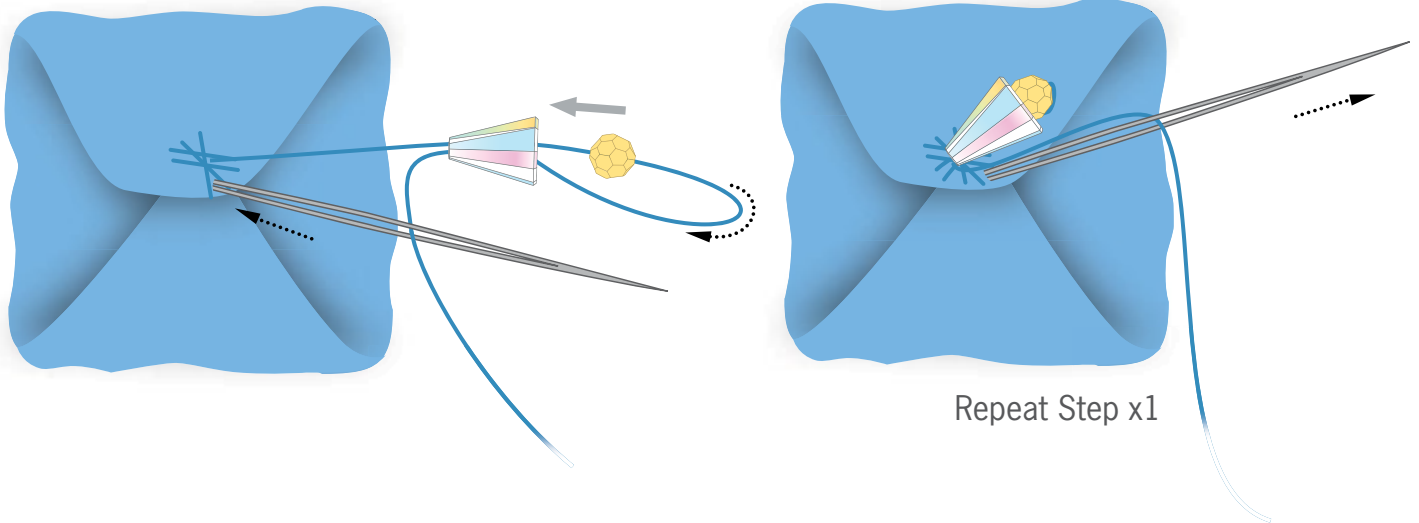

STEP 5: Cut 40cm of embroidery thread and fix the pleats with some black stitches. Do not cut the thread off.

STEP 6: Fold the open end of the egg cosy up three times.

STEP 7: Slide onto the thread from step 5 the CRYSTALLIZED™ Beads 5540 12mm and 5000 6mm. Thread the needle back through the Bead article 5540, pull tight and attach Beads by sewing. Repeat this step once more with CRYSTALLIZED™ Beads 5540 17mm and 5000 6mm.

STEP 8: Slide the remaining CRYSTALLIZED™ Beads onto the thread as shown in the illustration and attach them with 3 knots. Cut off excess.
