Design Special Spring/Summer 2010 | Lollipop Necklace

Instructions:

Step 1: Make the Lollipops: On a headpin string seven 5000 3mm White Alabaster Round Beads and one 5621 14mm Aqua Twist Bead.

Repeat with the other four colors of 5621 Twist Bead.

Step 2: Turn loop on headpins.

Step 3: String one end of the wire through a crimp bead, then through a jump ring and back through the crimp bead. Crimp the bead to secure.

Step 4: String on forty-two 5000 4mm Crystal Round Beads and the Aqua Lollipop. Alternate eight 5000 4mm Crystal Round Beads with the remaining Lollipops then add forty-two more 5000 4mm Crystal Round Beads

Step 5: String on a crimp bead, string the wire through the loop at the bottom of the lobster clasp and then back through the crimp bead. Pull the wire to take up any remaining slack in the wire (do not pull too tight; beads should drape easily). Crimp the crimp bead to secure. String the remaining wire back through a few beads on both sides and cut off remaining wire.
